The Honorable Ronald K. Sable
Special Assistant to the President
for Legislative Affairs
The White House
Washington, D. C. 20500

Dear Ron,

The beautifully framed "tally sheet" from the Senate Select Committee on Intelligence has arrived and I am mightily proud to have it. It was very thoughtful of you to do this and I am deeply appreciative.

It gives me one further chance to tell you how much I appreciate all the thought, work, guidance and care that you put into shepherding me through the confirmation process. I realize what a tenuous time we are going through and know how much more difficult it would have been without your strong laboring oar.

With warm regards and many thanks.

Sincerely,

William H. Webster
